PETITION 37 C.F.R. § 1.81(a) TO ACCEPT PAPERS AS TIMELY FILED

Applicant petitions under 37 C.F.R. § 1.181(a) to accept the papers submitted on January 5, 2004 as a timely filed response to a non-final Office Action mailed on November 11, 2004. On June 16, 2004, Applicant's counsel received a phone call from Examiner Bragdon asking if a response had been filed. In reviewing Applicant's copy of the response, Applicant's counsel determined that the serial number of the case had been mistyped on the cover page of the response, the transmittal, and the postcard, but was correct in the footers of the other pages of the response. The title, inventorship, filing date, attorney docket number, Examiner name, and Art Unit were listed correctly. The return postcard was stamped as having been received by OIPE on January 8, 2004. In support of this petition, Applicant is submitting a copy of the response, transmittal, and stamped return postcard.

Because the response was received by OIPE before the expiration of the three month response period and there was sufficient correct information on the response to identify the application (as set forth in MPEP 602, "Identification of Application"), Applicant respectfully requests the papers be accepted as timely filed and that any holding of abandonment be withdrawn.

Please direct any questions to Sue Holloway at (408) 720-3800 x309.

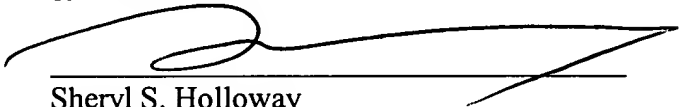

Deposit Account Authorization

Authorization is hereby given to charge our Deposit Account No. 02-2666 for any charges that may be due. Furthermore, if an extension is required, then Applicant hereby requests such extension.

Respectfully submitted,
